1989: - "SATELITE AND RADAR IMAGES" at ITAV Roma.

Professional Topics and Human Factor Background

During last 25 years I have been engaged to develop and supervising Training Programme (RT and OPC/TPC simulator scenarios and Ground RT), Syllabus for Type Ratings and CRM Courses and TRI/TRE Standardisation Programme.

I have been normally involved in IOSA, Quality Safety and Authority auditing system and OM D - ATO and Safety manuals update and ATO and SMS certification.

Since 2014 I'm permanent member of Lufthansa Flight Safety Board.

Line Training/Checking activity: Operator Line Checks, Command Course Training and Checking, Operator Line Training and Checking for "ab initio" pilots.

Simulator Training activity: RT, Type Rating Course, Conversion and Command Course.

Simulator Checking activity: OPC, TPC, Command release, Type Rating skill test, ATPL skill test, AOC for TRE and for TRI.

Ground School activity: CRM Recurrent Training, GES Recurrent Training, CRM Initial Course, CRM Type Rating Conversion Course, CRM Command Course, FRM Course.
